

Mission Statement: We inspire lifelong learning, create enriching opportunities, and strengthen our communities.

Motto: Let's Library

- Values:
1. Knowledge: We honor and champion the right for every individual to access knowledge and information; we know this enriches lives.
 2. Service: We commit to serve, empower, and improve the lives of those we impact. We exist to provide meaningful service to our communities.
 3. Unity: We celebrate our diverse parts, recognizing that we achieve more together than as individuals.
 4. Respect: We treat everyone with respect, kindness, empathy and compassion in all our interactions; these qualities define our relationships and support an environment where everyone is heard and valued.

Culture:

1. Learning: We wholeheartedly embrace change through a commitment to ongoing learning and professional development. We actively encourage experimentation and the sharing of knowledge, creating a safe space for research, creativity, and problem-solving endeavors.
2. Collaboration: We work cohesively across departments to achieve remarkable results. We foster positive communication and relationships, encourage creative librarianship, and embrace diverse perspectives and input. We work united to create an excellent library experience for staff and patrons.
3. Support: We interact honestly and thoughtfully. We embody kindness, empathy and compassion to those we serve and our colleagues. We uplift one another, jointly celebrating successes. Value is placed on contributions, not positions.
4. Fun: We enjoy where we work and the people we are lucky enough to work with. Our work is done among friends who inspire and bring out the best in each other. We look for positivity, encourage smiling and laughing, and regularly spark excitement and inspiration for our next endeavors.
